In Bad Fix

"I had a mishap at the age of 41, which left me in bad fix," writes Mrs. Georgia Usher, of Conyers, Ga. "I was unconscious for three days, and after that I would have fainting spells, dizziness, nervousness, sick

headache, heart palpitation and many strange feelings.
"I suffered greatly with ailments due to the change of life and had 3 doctors, but they did no good, so I concluded

"Since taking Cardui, I am so much better and can do all my housework.

The Woman's Tonic

Do not allow yourself to get into a bad fix. You might get in so bad you would find it hard to get out. Better take Cardui while there is time, while you are still in moderately good health, just to conserve your strength and keep you in tip top condition.

In this way your troubles, whatever they are, will gradually grow smaller instead of larger—you will be on the up-grade instead of the down—and by and bye you will arrive at the north pole of perfect health. Get a bottle at your druggists' today.

FIREMEN'S RELIEF ASSOCIA-

By an opinion rendered by Judge Ingram, of the law and equity court, Richmond, Friday in the suit brought by 95 per cent. of the members of the Firemen's Relief Association to dissolve the association and distribute the \$22,000 fund, Captain John H. Redwood and the other six members who are fighting to hold the association together and to preserve the fund intact have scored a final vic-

tory over the majority.
In the opinion rendered Judge Ingram declares the charter beld by the association a part of a business contract that cannot be dissolved in the existing circumstances except by unanimous consent of the members of the association.

The court practically su taiss the argument submitted for the protesting minority by Lawyer Brockenborough Lamb, of counsel for Redwood and his associates at the hearing on the demurrer to the petition of W. H. Thompson and the majority faction early in the month.

Following the rendering of the opinion yesterday Judge Ingram ordered a decree entered sustaining the demurrer and dissolving the injunction affecting the relief fund.

The opinion directs attention to the specific charter provision against th distribution of the fund among the living members and recognizes the vested rights of each member to the life insurance th fund is designed to provide. It is he o that a distribution of the fund amo the living members would take away to insurance rights of the members and that this cannut be done so long as one member refuses to acquiesce in the proposition .- [Richmond News Leader.
